Computer Science Engineering student with strong knowledge of MERN Stack, Java, C#, SQL, and web development. Experienced in building full-stack applications, including authentication, attendance, payroll, and database management systems. Passionate about problem-solving, continuous learning, and developing scalable software solutions while seeking opportunities to contribute and grow as a Full-Stack Developer.

Education

GLA University

Bachelor of Technology in Computer Science

CGPA :7.3

Aug. 2023 – May 2027

Deepraj Inter College Katari Varanasi - UP

Intermediate

Percentage : 81%

- 2023

Deepraj Inter College Katari Varanasi - UP

High School

Percentage : 81.5%

- 2021

Projects

Employee Management System | MERN Stack (React.js, Node.js, Express.js, MongoDB)

Developed a full-stack Employee Management System with secure authentication, attendance, leave management, payroll generation, profile management, and email notifications using JWT, Nodemailer, and Inngest.

Portfolio Website | HTML, CSS, JavaScript

Designed and developed a responsive personal portfolio website to showcase my projects, technical skills, resume, and contact information.

Bank Management System | C#, Entity Framework, SQL Server

Developed a console-based banking application for account management, deposits, withdrawals, balance inquiry, and transaction processing using Entity Framework and SQL Server.

To-do List, Avatar Generator & Tic-Tac-Toe | HTML, CSS, JavaScript

Developed interactive mini web applications to strengthen JavaScript fundamentals, DOM manipulation, and responsive web design.

Skills

Programming Languages: Java (DSA) ,C#, Python ,C, JavaScript

Web Technologies: HTML, CSS, React.js, Node.js, Express.js

Database: MongoDB, SQL Server

Tools: Git, GitHub, VS Code, IntelliJ IDEA, Jupyter Notebook

AI Tools: ChatGPT, GitHub Copilot, Gemini, Google AI Studio, DeepSeek

Operating Systems: Windows, Linux

Soft Skills: Problem-solving, Team collaboration, Communication, Time management

Certifications/Achievements

- Certification in Guidewire DEVTrails University Hackathon 2026
 - **Data Structures & Algorithms:** 400+ Problems Solved on LeetCode [Leetcode link](#)
 - JOVAC Summer Training Program (W3Grads)
 - Certification in Infosys Springboard HTML5
 - Certification in Microsoft Excel (Udemy)
 - Certification in Naukri.com
-
